

Product data sheet

Straw made of glass 20 cm

Product number: 8159966

These eco-friendly glass straws are not only a sustainable choice but also add a stylish touch to your beverages. They are ideal for daily use at home and are well-suited for restaurants, bars, and events. Each purchase supports the environment and showcases your commitment to a better future.

Product Highlights:

- High-Quality Tempered Glass:** Our straws (20cm in length) are made from high-quality tempered glass, known for its durability and resilience. You can be confident that these straws will last for a long time.
- Environmentally Friendly and Reusable:** By using our glass straws, you actively contribute to reducing the consumption of disposable plastic straws and promoting environmental sustainability. They are a sustainable alternative that helps minimize plastic waste.
- Easy Cleaning:** Each of our glass straws comes with a cleaning brush to facilitate easy cleaning. You can also safely clean them in the dishwasher, making maintenance even more convenient.
- Print option:** We offer the option to laser your logo onto the glass straws, making them a fantastic avenue for brand promotion or personalized gifts.
