## Drinking bottle

Product number: 8397507

Our impressive large metal water bottle – the ultimate solution for those always on the go! This bottle combines a substantial capacity of 1200ml with high-quality vacuum insulation, a twist cap, a quick-release feature, and a convenient carrying loop. **Product Highlights:** **Large 1200ml Capacity:** This bottle provides ample space for your daily hydration needs, whether you're working out at the gym, on the move, or simply prefer to drink a lot. **Vacuum Insulation:** Keep your drinks at the desired temperature for hours. The vacuum insulation ensures that hot beverages stay hot and cold drinks stay refreshingly cold. **Twist Cap and Quick-Release:** The twist cap allows for easy opening and closing, while the additional quick-release feature ensures convenient and rapid use on the go. **Convenient Carrying Loop:** The integrated loop makes carrying the bottle exceptionally easy, whether in hand or attached to a backpack. **Ideal for those constantly on the move.** **Print option:** Opt for exclusivity by having your logo directly engraved on the bottle. This high-quality engraving adds a personal and sophisticated touch to your brand.
