

Product data sheet

Bar measure

Product number: 8323707

Our high-quality jigger is the perfect tool for professionally mixing and measuring drinks in bars, restaurants, and at home. The jigger is made of stainless steel and features two measurement units: 2 cl on one side and 4 cl on the other side. With this jigger, you can accurately measure the right amounts of liquids for your cocktails and beverages.

Product Highlights:

- Precise Measuring:** Our jigger allows for precise measuring of liquids in two different units, 2 cl and 4 cl. This ensures consistent drink preparation.
- High-Quality Material:** The jigger is made of durable and rust-resistant stainless steel, ensuring longevity and easy cleaning.
- Stylish Design:** The simple and elegant design of the jigger seamlessly fits into any bar or kitchen environment.
- Print option:** We offer the option to engrave your logo on the jigger, personalizing it and highlighting it as a promotional gift or part of your bar equipment.
