

Product data sheet

CrisMa Analogue wall clock

Product number: 4124006

Our analog wall clock with a large digital display for date, day of the week, and temperature is not only a stylish timekeeping device but also a practical source of information. The clock offers the possibility to place your branding on an advertising plate below the twelve, which is protected behind glass. Product Highlights: Combined Display: The clock combines traditional analog timekeeping with a large digital display for the date, day of the week, and temperature, providing you with all the essential information at a glance. Elegant Design: The clock features a timeless design that complements various environments, be it in the office, living room, or bedroom. Informative and Decorative: This clock is both functional and decorative, keeping you informed about the date, day of the week, and room temperature. Print option: Your logo will be placed on an advertising plate below the twelve, providing a central and eye-catching position. The plate is also protected behind glass to ensure a lasting presentation.
