RPET Backpack

Product number: 6257103

Our RPET backpack made from sustainable materials is the perfect choice for environmentally conscious adventurers and everyday heroes. Constructed from 300D Two-tone Polyester and 210D RPET, this backpack offers a smart combination of style, functionality, and sustainability. With a lockable main compartment, two lockable side pockets, padded shoulder straps, and a cork bottom, this backpack is ready to accompany you anywhere.

Product Highlights:

- Sustainable Materials:** The backpack is made from recycled PET bottles and cork, contributing to a reduced environmental impact.
- Spacious Design:** With a lockable main compartment and two lockable side pockets, this backpack provides ample space for your belongings, whether hiking, traveling, or in daily life.
- Comfortable to Carry:** The padded shoulder straps ensure high wearing comfort, while the cork bottom adds extra stability and durability.
- Easy Handling:** This backpack can be rolled or folded for easy closure and transport.
- Print option:** Your logo will be printed on the front of the backpack, giving it a personalized touch.
