## High-quality backpack with USB port

Product number: 6129944

Our waterproof backpack with USB port is the ideal choice if you're seeking style, functionality, and durability in one backpack. With its modern design and practical features, it's suitable for both everyday use and business trips. Order this high-quality backpack today and carry your belongings in a reliable and elegant companion.

**Product Highlights:**

- Waterproof Material:** Crafted from high-quality material consisting of 65% nylon and 35% PU, making the backpack not only waterproof but also durable and long-lasting.
- USB Port:** The integrated USB port allows you to charge your electronic devices on the go, making this backpack a practical companion for the modern lifestyle.
- Reinforced Shoulder Straps:** The shoulder straps are reinforced and breathable, ensuring a comfortable carrying experience even with a heavy load.
- Ample Storage Space:** The backpack offers plenty of storage, including a separate laptop compartment suitable for laptops up to 15.6 inches.
- Trolley-Compatible:** Thanks to its special construction, the backpack can easily be attached to a trolley, making it the perfect companion for business trips and daily commuting.
- Print option:** Your logo will be printed on the front compartment to stylishly showcase your brand.
