USB lighter

Product number: 9097706

Our USB lighter made from high-quality plastic is a modern and environmentally friendly solution for lighting candles, stoves, grills, and more. **Product Highlights:** **USB Charging:** This lighter features a built-in USB plug, making recharging a breeze. Simply connect it to a USB port to recharge. It eliminates the need for disposable gas cartridges, making it environmentally friendly and cost-effective. **Safe and Easy to Use:** The lighter includes a safety mechanism to prevent accidental activation. It's easy to use and generates a reliable flame for safely lighting various objects. **Durable:** With a full charge, you can use the lighter many times before needing to recharge. It's a reliable and durable option for daily use. **Print option:** We print your logo on the lighter, making it an effective promotional gift or merchandise item for your brand.
