

Product data sheet

Slim lighter

Product number: 9139206

Our electronic lighter with a black head and jet flame is the perfect combination of functionality and style. Product Highlights: Jet Flame: This lighter features a jet flame that provides a strong and precise flame, making it ideal for various applications such as lighting candles, cigars, or charcoal for grilling. Refillable: In contrast to disposable lighters, this lighter is refillable, making it more environmentally friendly and allowing you to use it repeatedly. Infinitely Adjustable Flame Size: The flame size is infinitely adjustable, allowing you to customize the flame intensity according to your needs. Print option: We offer the option to place your logo on one side of the lighter. This transforms the lighter into not only a practical everyday item but also an effective promotional tool for your company.
