

Product data sheet

Wall clock with silver frame and click system

Product number: 4787203

Our wall clock with a modern design and the refined click system allows you to effortlessly print your logo on the clock face. The printing is done on a removable plaque that can be inserted into the clock. Product Highlights: Modern Design: The wall clock features a contemporary and stylish design that complements various settings. Refined Click System: The click system simplifies the removal of the plaque, where your logo is printed, and its subsequent reinsertion into the clock. Print option: Your logo will be printed on the removable plaque to prominently showcase your brand.
