

Product data sheet

Ceramic cup with a spoon

Product number: 8509510

Our porcelain mug with a spoon in the handle is not only a practical drinking vessel but also a well-thought-out design piece. **Product Highlights:** **High-Quality Porcelain:** The mug is made of high-quality porcelain, known for its durability and elegance. This ensures that your customers will enjoy this mug for a long time. **Integrated Spoon:** The spoon is cleverly integrated into the handle of the mug, saving space and making the set particularly convenient for enjoying hot drinks such as tea or coffee. **Diverse Color Selection:** We offer this mug in various interior colors that match the color of the spoon. This allows your customers to choose the color combination that suits them best. **Print option:** We print your logo using ceramic transfer on the outside of the mug. This makes your brand visible with every sip, creating a lasting connection with your customers.
