## Round media clock made of metal

Product number: 4327506

Our large radio-controlled wall clock is not only practical and contemporary but also extremely user-friendly. You only need to activate it once by inserting the battery, then briefly press the reset button, and the clock sets itself. Product Highlights: Large Design: The clock is in a large format, providing a clear display of the time. Radio-Controlled Clock: The clock uses radio technology to automatically set itself to the precise time. Easy Setup: With just inserting a battery and pressing the reset button, you can get the clock up and running. Print option: Your logo will be placed on the plate under the 12, ensuring an eye-catching presentation of your brand.
