To go cup with straw

Product number: 8396706

Our practical stainless steel To-Go cup – the optimal solution for on-the-go! This well-thought-out creation combines high-quality stainless steel with vacuum insulation, an eco-friendly bamboo lid, a sturdy plastic straw, and a generous capacity of 500ml. Product Highlights: Vacuum Insulation: Enjoy your drinks on the go at the desired temperature. Vacuum insulation ensures that hot drinks stay warm and cold drinks remain refreshingly cool – perfect for the mobile lifestyle. Eco-Friendly Bamboo Lid: The lid made from sustainable bamboo not only adds a natural aesthetic to the To-Go cup but also contributes to reducing single-use plastic. A conscious step towards environmental protection. Sturdy Plastic Straw: The included sturdy plastic straw allows for comfortable and drip-free drinking on the go. Practical, durable, and easy to clean – for an all-around pleasant drinking experience. 500ml Capacity: The optimal size for on-the-go – large enough for your morning coffee or refreshing iced tea. Fits into most car cup holders, making it the ideal companion for your daily commute. Print option: Make this To-Go cup a unique promotional item by engraving your logo directly on the cup. A stylish way to showcase your brand.
