

Product data sheet

Metallic finish mug

Product number: 8017197

Our ceramic mug with a glossy coating is not only functional but also a stylish accessory for daily use. Order today and provide your customers with a high-quality and personalized solution for their morning drink while putting your brand in the spotlight.

Product Highlights:

- High-Quality Ceramic:** The mug is made of premium ceramic, known for its durability and heat resistance.
- Glossy Coating:** The glossy coating gives the mug an elegant appearance and a pleasant feel.
- Generous Capacity:** With a capacity of 300 ml, this mug provides ample space for your favorite drink.
- Color Recommendation:** Since sublimation printing on a white background typically uses CMYK ink colors, we recommend using dark gray as the background color for the best results.
- Print option:** Your logo will be applied to the mug using high-quality and high-resolution sublimation printing.
