Backpack with integrated LED light

Product number: 6324707

Our 600D Polyester backpack is not only functional but also features an innovative element: an integrated, removable LED light with 3 different modes. With its padded shoulder straps and laptop compartment, this backpack is perfect for on-the-go and provides safety and visibility, thanks to the flashing red light mode.Product Highlights:High-Quality Material: The backpack is made of durable 600D polyester, which is robust and water-resistant.Integrated LED Light: The removable LED light offers 3 modes: bright white, normal white, and flashing red, enhancing visibility in darkness and increasing safety.Comfortable Carrying: The padded shoulder straps and ergonomic design ensure high wearing comfort, even during longer journeys.Laptop Compartment: A dedicated compartment provides space for laptops and tablets, allowing you to transport your electronic devices securely.Hanging Loop: A practical loop allows you to hang the backpack on a hook or rod.Print option: We offer the option to place your logo on the front of the backpack to showcase your brand.
