## Lunch box with carrying handle

Product number: 8848907

Our stainless steel lunch box is the ideal solution for keeping your meals warm on the go while also keeping additional foods separate and fresh. **Product Highlights:** **High-Quality Material:** The lunch box is made of high-quality stainless steel, which is durable, rust-free, and easy to clean. It is suitable for both cold and hot foods. **Double-Wall Insulation:** The double-wall insulation of the lunch box keeps your meals warm for an extended period. This means you can enjoy your soups, stews, pasta dishes, and other hot foods without worrying about the temperature. **Separate Compartment:** The lunch box features a transparent compartment at the bottom, providing additional storage space for other foods. This compartment has a capacity of 320 ml and keeps your snacks or side dishes separated and fresh. **Convenient Carry Handle:** The carry handle on the top of the lunch box allows for easy transport, making it effortless to take your meals to work, school, or while traveling. **Print option:** We offer the option to laser your logo onto the outer stainless steel surface of the lunch box. This allows you to customize the lunch box according to your preferences and use it as a promotional gift or to promote your brand.
