## Doule walled food contaier, 750ml

Product number: 8265303

Explore our double-walled, leak-proof vacuum food container made of stainless steel, which is not only functional and practical but also stylish and versatile. With a generous capacity of 750 ml, a collapsible spoon in the lid, and the assurance that your food stays fresh, this food container is ideal for on-the-go. Product Highlights: High-Quality Stainless Steel: The food container is made of high-quality stainless steel, which is durable and easy to clean. Double-Walled Vacuum: The double-walled vacuum insulation ensures that your food stays hot or cold and is leak-proof. Collapsible Spoon: The integrated collapsible spoon in the lid allows for a convenient on-the-go meal without the need for additional utensils. Generous Capacity: With a fill capacity of 750 ml, this food container provides ample space for a full meal. Print option: We engrave your logo on the container to ensure that your brand is visible with every moment of enjoyment.
