

Product data sheet

Compostable rain poncho

Product number: 4188266

Our transparent rain poncho made from environmentally friendly PLA (Polylactic Acid) offers protection from the rain and provides a sustainable disposable solution. This poncho is phthalate-free, making it eco-friendly. It comes with a convenient carrying bag to facilitate transportation. What makes this poncho special is its compostability, making it an environmentally friendly alternative to traditional disposable ponchos. Your logo will be printed on the bag to communicate your message.

Product Highlights:

- Eco-Friendly Material:** The poncho is made from PLA, an environmentally friendly material that does not contain phthalates.
- Transparent and Functional:** The transparent poncho protects against rain and moisture while allowing a view of the clothing underneath.
- Carrying Bag Included:** The poncho comes with a carrying bag for convenient transport and storage.
- Compostable:** This poncho is compostable, contributing to waste reduction and environmental sustainability.
- Print option:** Your logo will be printed on the poncho's bag to effectively showcase your brand.
