

Product data sheet

Powerbank 39,000 mAh

Product number: 3390977

Our powerful aluminum Powerbank - a true powerhouse with an impressive 39,000 mAh battery! This Powerbank features a wall plug output (max. 150 watts) as well as USB and C-Type inputs and outputs. Your advertisement will be engraved onto the Powerbank to leave a personalized and high-quality impression. Product Highlights: Enormous capacity of 39,000 mAh: This Powerbank is a true powerhouse, allowing for charging multiple devices without constant recharging. Wall plug output (max. 150 watts): The integrated wall plug enables direct charging of devices with a maximum power of 150 watts, which is particularly useful for larger electronic devices. LED light function: The integrated LED light function provides a convenient lighting option for on-the-go and emergency situations, ensuring you always have visibility. Versatile connectivity options: With USB and C-Type inputs and outputs, the Powerbank offers flexible options for charging and discharging various devices. High-quality aluminum housing: The aluminum housing not only gives the Powerbank a premium look but also ensures durability and robustness. Print option: Your logo will be engraved onto the Powerbank to leave a personalized and high-quality impression.

Additional information

General

Product length	80 mm
Product width	80 mm
Product height	206 mm
Material	Aluminium
Weight	1.583 kg
capacity mAh	39000
Country of origin	China
Customs tariff number	85076000900

Print

Finishing types	Laser engraving
Printgroup 1	Laser engravement (L3)
Name 1 print area 1	On the front
Possible colors printgroup 1	1
Print area 1 width	50 mm
Print area 1 height	50 mm

Packaging

Type of packaging	Carton
Quantity bulk packaging	6
Quantity small packaging	6
