## Charging station for 4 devices

Product number: 3359713

Our high-quality bamboo charging station is the perfect solution for charging up to four smartphones or tablets simultaneously while conveying an eco-friendly message. This charging station features a wireless charging pad, two USB ports, and a USB-C port to accommodate a variety of devices. The included charging cable makes using this charging station extremely convenient.

**Product Highlights:**

- Sustainable materials:** The charging station is made from high-quality bamboo, a renewable resource known for its durability and eco-friendliness.
- Versatile charging options:** With a wireless charging pad and various USB ports, it can charge up to four devices simultaneously.
- Print option:** We offer the option to engrave your logo or design on the charging station, making it a personalized promotional gift or accessory.
- Eco-friendly message:** The use of bamboo underscores your commitment to sustainability and environmental conservation.
