

Product data sheet

Stainless steel hip flask with 2 pins

Product number: 8325701

Our stainless steel hip flask with refined PU coating is the perfect choice for those who appreciate style and functionality. With a generous capacity of 230 ml and clever details, this hip flask offers an elegant way to enjoy your favorite drinks on the go.

Product Highlights:

- High-Quality Materials:** The hip flask is made of robust, stainless steel, known for its durability and resistance to corrosion. The PU coating gives it a sophisticated look and a comfortable grip.
- Integrated Shot Glasses:** The standout feature of this hip flask is the two 40 ml shot glasses that can be stored in the flask's lid. This ensures you always have the option to mix your drink according to your preferences.
- Secure Closure:** The hip flask features a reliable closure that ensures no liquid can leak out.
- Elegant Design:** With its PU coating and integrated shot glasses, this hip flask is not only functional but also stylish and elegant.
- Print option:** We offer the option to place your logo on the PU coating of the hip flask. This turns the hip flask into a personalized promotional gift or branded item.
