Metal keyring with bottle opener

Product number: 9226007

Our metal keychain with an integrated bottle opener is not only practical but also stylish.Product Highlights:Functionality: This keychain not only serves to securely hold your keys but also features a built-in bottle opener. This provides you with a useful tool to effortlessly tackle bottle openings whenever needed.High-Quality Material: The keychain is made of high-quality metal, providing it with not only robust durability but also a shiny, appealing appearance.Chrome Gloss: The chrome-glossy surface of the bottle opener gives it a modern and elegant look. The shiny finish makes this keychain a stylish accessory.Print option: The top of the bottle opener offers ample space for a subtle laser engraving. With your laser engraving, you can showcase your logo you wish to share.
