Keyring with shopping cart chip

Product number: 9158307

Our metal keychain with an integrated shopping cart token and bottle opener is a versatile and practical accessory for everyday use. Product Highlights: High-Quality Metal: The keychain is made of durable metal, ensuring longevity and stability. It is designed to withstand the rigors of daily life and last for a long time. Integrated Shopping Cart Token: This keychain features an integrated shopping cart token, eliminating the need to search for coins when shopping. You always have a convenient token on hand to unlock shopping carts. Bottle Opener: In addition to the shopping cart token, this keychain is equipped with a bottle opener. This allows you to effortlessly open bottles on the go, whether at an outdoor picnic or social gatherings. Key Ring: The integrated key ring allows you to keep your keys secure and easily accessible. It accommodates your house keys, car keys, and other essential keys. Versatile Use: This keychain is versatile and perfect as a promotional gift or merchandise item. It is practical, useful, and also an excellent way to promote your brand. Print option: Your custom logo will be laser-engraved onto the keychain. This provides the product with a high-quality and durable branding that won't fade or wear off.
