

Product data sheet

Reflective arm band

Product number: 9046808

Our reflective, elastic armband is the ideal accessory for anyone actively moving outdoors, whether jogging or cycling, especially during dusk or nighttime. Product Highlights: Enhanced Visibility: The armband is equipped with high-quality reflective material that lights up when exposed to light, increasing your visibility in traffic. This is crucial for your safety. Elastic Material: The armband is made of flexible and comfortable material that easily conforms to your wrist without constricting or causing discomfort. Versatile Use: In addition to jogging or cycling, this armband is suitable for other outdoor activities where increased visibility is important. Print option: We offer the option to print your logo on the armband, turning it into a personalized promotional gift or an item for your team or event.
