## Bicycle mobile phone bag

Product number: 6268503

Discover our versatile bicycle bag with an integrated phone holder, specifically designed for cyclists. With this bag, you not only have ample storage space for all your items but also a practical solution for the secure storage and operation of your smartphone during your ride. **Product Highlights:** **Integrated Phone Holder:** The bag features a special holder where you can securely and visibly attach your smartphone. This keeps your phone within view without having to hold it in your hand. **Touchscreen-Friendly:** You can conveniently operate your smartphone without removing it from the holder. The transparent cover allows touchscreen usage, enabling you to navigate or answer calls effortlessly. **Multiple Compartments:** The bag offers various compartments and pockets where you can neatly and well-organized store your personal items, keys, wallet, and more. **Water-Resistant Material:** The material of the bag is water-resistant to protect your items in unexpected rain. **Easy Attachment:** The bag can be securely and easily attached to the handlebars of your bike, remaining stable during your ride. **Print option:** Your logo will be printed on the bag, representing your brand on every cycling adventure.
