Wall clock

Product number: 4121307

Today, we're introducing our plastic wall clock with a hygrometer and thermometer, a versatile and practical accessory that not only displays the time but also measures temperature and humidity. Product Highlights: Functional Displays: This wall clock features a easy-to-read clock face for time, a hygrometer for measuring humidity, and a thermometer for displaying room temperature. Plastic Construction: The clock is made of durable plastic that's easy to clean and low-maintenance. Versatile Use: The clock is ideal for use in offices, living spaces, bedrooms, or other indoor areas. Reliable Time, Temperature, and Humidity Display: With the built-in hygrometer and thermometer, you'll always know the state of your indoor environment. Print option: We offer the option to print your logo on the area below the six between the two displays. This is a prominent location to showcase your brand or logo.
