

Product data sheet

Childrens' safety jacket EN 1150:1999

Product number: 9288808

Our safety vest for children is an essential safety accessory designed to enhance the visibility of your children in traffic. **Product Highlights:** **High-Quality Safety Vest:** Our vest is certified according to EN 1150:1999 and meets the highest safety standards. Specifically designed for children, it provides high visibility, especially in low light conditions or at dusk. **Class 2 Reflective Stripes:** The vest features Class 2 reflective stripes, ensuring that your children are easily recognizable from a distance. This is particularly important when they are near roads or traffic areas. **Adjustable and Comfortable:** The vest is adjustable and conforms to your child's body shape. It is lightweight and comfortable to wear, ensuring that it is well-received by your child. **Print option:** We offer the option to print your logo on the front of the vest. This ensures that your logo is prominently visible without compromising the visibility of the reflective stripes.
