

Product data sheet

Ball pen with colored LED light

Product number: 1076405

Imagine a ballpoint pen that not only writes stylishly but also offers impressive versatility. Our ballpoint pen with colored LED light, blue ink refill, metal clip, touch-pen function, and rubber grip combines functionality and innovation. Your advertising will be laser-engraved to the right of the clip, allowing the LED light to shine in coordination with the applications.

Product Highlights:

- Blue Ink Refill:** The pen uses a high-quality blue ink refill for a smooth writing experience and sharp, clear writing.
- Colored LED Light:** This ballpoint pen features a colored LED light, making it an eye-catching accessory. The light color can be adjusted to match the applications.
- Metal Clip:** The metal clip adds an elegant touch to the pen and ensures secure attachment to your bag or notebook.
- Touch-Pen Function:** The integrated touch-pen function allows you to not only write but also operate touchscreens effortlessly, making the pen a practical multifunctional tool.
- Rubber Grip:** The rubber grip provides a comfortable and non-slip hold, enhancing the writing experience.
- Print option:** Your logo will be laser-engraved to the right of the pen's clip. The laser engraving allows the LED light to coordinate with the applications, creating a unique visual effect.
