

Product data sheet

RPET pen

Product number: 1255724

Our eco-friendly, transparent ballpoint pen made from RPET is the perfect choice for environmentally conscious individuals who appreciate sustainable products. Crafted from recycled PET material, this pen features a blue ink refill, a curved clip, and a slightly contoured grip area for a comfortable writing style. The RPET logo on the pen clearly highlights the product's environmentally friendly character.

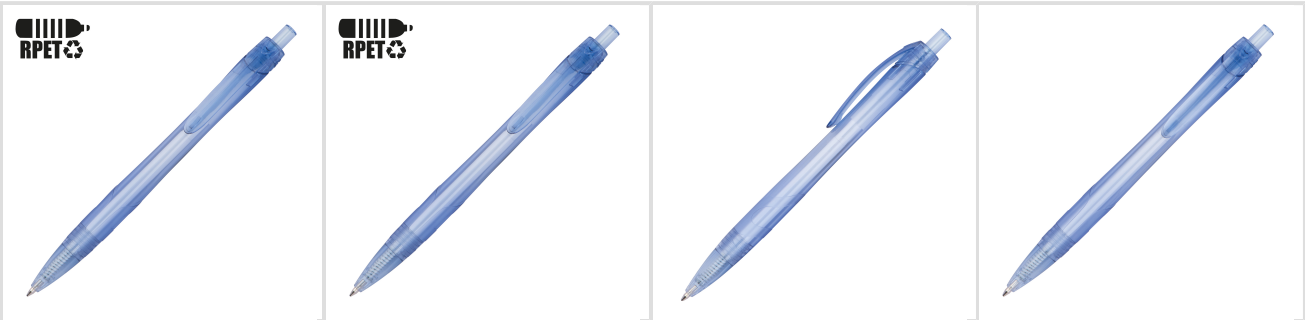

Product Highlights:

- Environmentally Friendly Material:** RPET (Recycled PET) is a sustainable material made from recycled plastic bottles.
- High-Quality Ink Refill:** The pen boasts a reliable blue ink refill that ensures clean and precise writing.
- Comfortable Design:** The curved clip and grip area provide a comfortable writing experience.
- Print option:** We offer the option to print your logo to the right of the clip on the pen, personalizing it for use as an eco-friendly promotional item.
