## Solar power bank

Product number: 3256313

Our solar power bank with a bamboo casing is the perfect solution for powering your electronic devices even when you're on the go. With a capacity of 8,000 mAh, you can easily charge your smartphones, tablets, and other devices without the need for an electrical outlet. Product Highlights: Sustainable Design: The bamboo casing gives the power bank an environmentally friendly and natural appearance. Solar Charging Function: The power bank features solar cells that allow you to charge it using solar energy, making it ideal for outdoor activities and travel. Large Capacity: With 8,000 mAh capacity, you can charge your devices multiple times without worrying about running out of battery. Flexible and Portable: Thanks to the solar charging function, you're not dependent on electrical outlets and can charge your devices anywhere. Print option: We offer the option to engrave your logo on the power bank to personalize it and use it as a promotional item or gift.
