

Product data sheet

Smart fitness band

Product number: 4076303

Our smart fitness band made of silicone is a versatile and useful wearable that helps you achieve your fitness goals and stay healthy. The band is compatible with iOS 7.1 and Android 4.4 or higher and offers a range of features, including a pedometer, sleep tracking, call reminder, alarm, smartphone camera remote control, loss alert, splash resistance, and a hydration reminder. Data collected is analyzed using the "Getfit 2.0" app on your smartphone.

Product Highlights:

- Versatile Functions:** The fitness band offers a variety of functions to support your health and fitness.
- Compatibility:** The band is compatible with iOS and Android, making it suitable for use with most smartphones.
- App Analysis:** The data collected is analyzed in the "Getfit 2.0" app on your smartphone to provide insights into your fitness.
- Durable Silicone:** The band is made of durable silicone and is splash-resistant.
- Print option:** Your logo will be laser-engraved onto the band to effectively showcase your brand.
