Leather RFID credit card case

Product number: 9118603

Our RFID credit card holder made of high-quality genuine leather is the ideal choice for protecting your essential cards in a stylish manner. Product Highlights: Genuine Leather: The holder is crafted from high-quality, genuine leather, providing not only an appealing aesthetic but also durability and resilience. RFID Protection: The holder is equipped with RFID protection technology, safeguarding your credit cards from unauthorized scanning. This is particularly crucial for keeping your personal and financial information secure. Space for Cards and Cash: The holder accommodates a total of 6 credit cards, with 3 on each side. Additionally, it features a cash compartment where you can store bills, receipts, or other essential documents. Print option: We offer the option to print your logo on the holder. This allows you to personalize the holder while effectively showcasing your brand.
