

Product data sheet

3 in 1 wheatstraw charging cable

Product number: 3196113

Our 3-in-1 charging cable made from sustainable wheat straw offers the ultimate solution for charging various devices. With USB, Micro USB, C-Type, and 8-Pin connectors, this versatile cable is compatible with a variety of smartphones and tablets. Your logo will be engraved on the black surface of the cable, creating an eye-catching presentation during the charging process.

Product Highlights:

- Sustainable Wheat Straw:** The cable is made from eco-friendly wheat straw, which is not only sustainable but also provides a pleasant tactile feel.
- Versatile Compatibility:** With USB, Micro USB, C-Type, and 8-Pin connectors, this cable is compatible with most common devices.
- Print option:** Your logo will be engraved on the black surface of the cable, creating an eye-catching presentation during the charging process.
- Environmentally Friendly:** The wheat straw material is an environmentally friendly alternative to conventional plastic cables.
