Face Mask

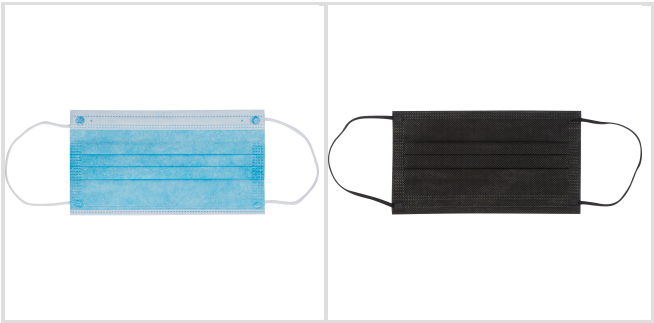

Product number: 5203103

Our disposable face masks not only provide protection but also offer the opportunity to make your brand or message visible. The 3-ply masks feature earloop fasteners and a wire clip for secure and comfortable fit. **Product Highlights:** 3-Ply Construction: The masks consist of three layers to provide effective protection. Earloop Fasteners: The earloops ensure a comfortable and secure fit of the mask. Wire Clip for Secure Fit: The wire clip allows for adjustment to the shape of the nose, preventing fogging of glasses and providing better protection. Disposable: The masks are single-use products and should be disposed of after use. Print option: Your logo will be printed on the outside of the mask to ensure your brand is visible every time it's worn.
