## 4.000 mAh Powerbank with suction cups

Product number: 4063803

Our suction cup power bank is a clever and versatile solution for charging your devices on the go. With a capacity of 4,000 mAh and a 2-in-1 charging cable for Android and iOS, it's a practical companion. The suction cups allow you to attach the power bank directly to your smartphone, so you can charge your devices easily without the hassle of cords.

**Product Highlights:**

- High Capacity:** With 4,000 mAh storage capacity, you can charge your devices on the go.
- 2-in-1 Charging Cable:** The included charging cable is compatible with both Android and iOS devices.
- Suction Cups:** The suction cups enable you to attach the power bank directly to your smartphone.
- Compact Design:** The power bank is compact and lightweight, fitting easily into your pocket or bag.
- Print option:** Your logo will be printed on the front of the power bank to effectively showcase your brand.
