

Product data sheet

Stainless steel thermal flask

Product number: 6540307

Our double-walled vacuum-insulated flask is not only functional but also stylish and practical. Order today and offer your customers a high-quality and personalized travel beverage container while showcasing your brand. Product Highlights: Excellent Insulation: The double-walled stainless steel construction ensures outstanding insulation, keeping your drinks hot or cold for an extended period. Convenient Size: With a capacity of 500 ml, this insulated flask is perfect for on-the-go use, whether traveling, hiking, or at the office. Quick Release: The quick-release feature allows for easy pouring and sealing without the need to fully remove the lid. Includes Metal Cup: The insulated flask comes with a matching metal cup, allowing you to enjoy your drinks anytime, anywhere. Print option: Your logo will be laser-engraved onto the flask, placing your brand in the spotlight and spreading your message.
