

Product data sheet

Extendable silicone drinking bottle

Product number: 8297003

Explore our innovative collapsible silicone water bottle, designed to be not only environmentally friendly but also highly convenient for on-the-go use. With a capacity of 500 ml, this bottle provides ample space for your favorite beverages. Once you've finished your drink, the bottle can be collapsed to a compact size for easy storage.

Product Highlights:

- Environmentally Friendly Silicone:** The bottle is made from high-quality silicone that is BPA-free and easy to clean.
- Expandable and Collapsible:** This bottle can be extended or collapsed as needed, making it extremely space-efficient.
- 500 ml Capacity:** The bottle offers sufficient space for water, juice, or other beverages.
- Lightweight and Portable:** Thanks to the flexible silicone material, the bottle is lightweight and can be conveniently taken anywhere.
- Print option:** Your logo will be laser-engraved on the lid, ensuring that your brand is prominently visible with every use.
