Cleaning cloth - for sublimation print

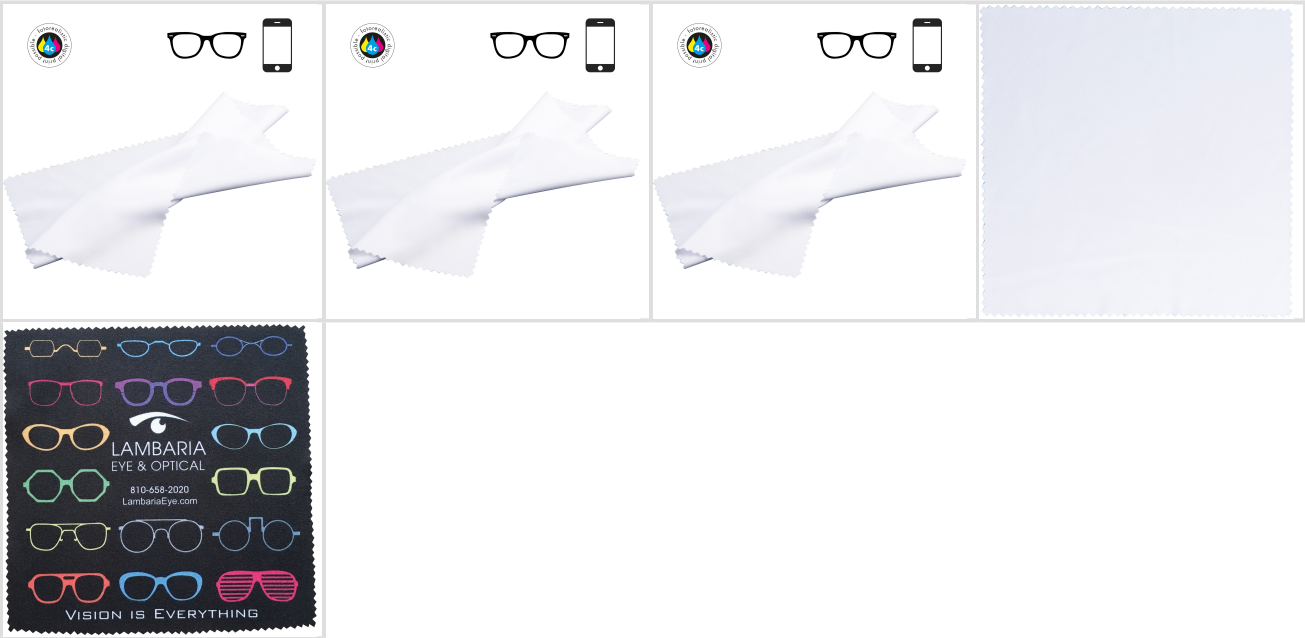

Product number: 9158606

Our microfiber cloth is a versatile cleaning accessory specially designed to thoroughly clean glasses, glass surfaces, and LCD screens. **Product Highlights:** **High-Quality Microfiber Material:** The cloth is made of high-quality microfiber material that is particularly gentle on sensitive surfaces like eyeglasses and screens. It leaves no scratches or residues. **Versatile Applicability:** This microfiber cloth is ideal for cleaning glasses, sunglasses, screens, camera lenses, tablets, and other smooth surfaces. It effectively removes fingerprints, dirt, dust, and stains. **Washable and Reusable:** This microfiber cloth is washable and reusable. After cleaning, you can simply wash it and use it again, making it both environmentally friendly and cost-effective. **Convenient Size:** With dimensions of X cm x X cm, this cloth is compact and easy to carry. It fits easily into eyeglass cases, bags, or laptop sleeves, ensuring it's always within reach. **Print option:** The cloth offers a generous printing area suitable for sublimation printing. This allows for placing your custom logo across the entire cloth. Sublimation printing ensures vibrant colors and a crisp image.
