## Wireless charger with 2 USB ports

Product number: 3359806

Our high-quality plastic wireless charger is the ideal solution for conveniently and wirelessly charging your Qi-enabled smartphones. With two additional USB ports, you can also charge other devices simultaneously. This charger comes with a matching charging cable and is customizable with your individual logo. Product Highlights: Qi-compatible: Our charger is compatible with all Qi-enabled smartphones, allowing you to charge your devices conveniently and without cable clutter. Additional USB ports: In addition to the wireless charging pad, the charger features two USB ports for charging other devices like tablets, smartwatches, or headphones. Print option: We offer the option to print your logo or design on the charger, making it a personalized promotional gift or a personal accessory.
