## Stainless steel thermal flask

Product number: 6008906

Imagine always having a hot or cold drink exactly when you need it. Our double-walled stainless steel vacuum flask with a 500ml capacity is precisely what you need. With a quick-release and a convenient metal cup, it's the perfect companion for on the go.

**Product Highlights:**

- Outstanding Insulation:** Thanks to the double-walled vacuum insulation, this flask keeps your drinks hot or cold for hours.
- Quick Release:** The quick-release feature allows for easy and convenient pouring without the need to remove the lid entirely.
- Includes Metal Cup:** The included metal cup ensures that you can always enjoy your drinks stylishly.
- Print option:** We offer the option to laser your logo onto the flask to put your brand in the spotlight.
