## Abs- & backtrainer

Product number: 5247124

Our abdominal and back trainer is a versatile fitness device that shapes, strengthens, and tones muscles. It is also ideal for training the arm and leg muscles. The device features soft-padded handles and foot supports for comfortable training.

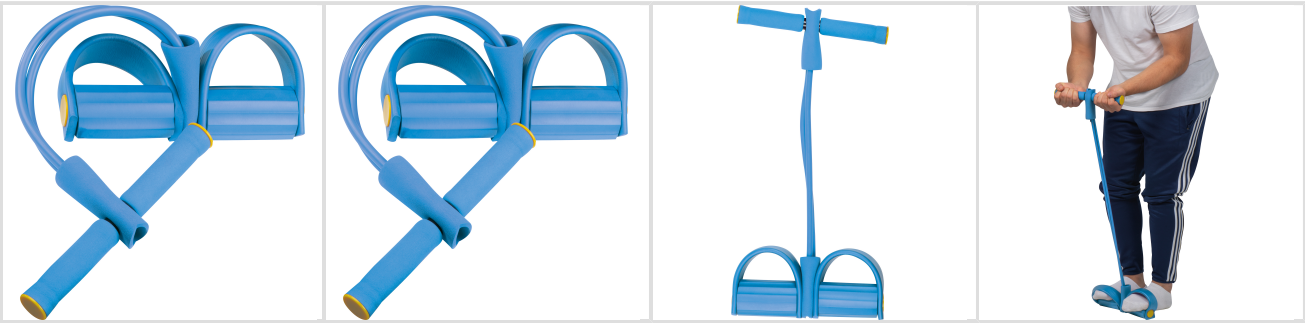

**Product Highlights:**

- Full-Body Training:** This abdominal and back trainer allows for full-body training, including abdominal, back, arm, and leg muscles.
- Soft-Padded Handles:** The handles are softly padded to provide a comfortable and non-slip grip during workouts.
- Versatile Use:** The fitness device is versatile, enabling various exercises to strengthen different muscle groups.
- Compact Design:** The abdominal and back trainer is compact and lightweight, making it easy to transport and use anywhere.
- Print option:** Your logo will be printed on one of the handles to personalize the product and showcase your brand.
