

Product data sheet

Small recycled paperbag with 2 handles

Product number: 6181802

Take an environmentally conscious step and explore our sustainable and eco-friendly paper bag with a thickness of 120g/m². This bag is not only robust and reusable but also an excellent choice for the environment. Product Highlights: Environmentally Friendly and Sustainable: Our paper bag is made from recycled paper and is 100% reusable. By choosing this bag, you actively contribute to environmental protection and demonstrate your commitment to a sustainable future. Sturdy Carrying Handles: The bag features sturdy carrying handles that fit comfortably in your hand and can easily carry heavier loads. Bottom Gusset: With a convenient bottom gusset, this bag provides additional storage space, perfect for groceries, books, or other items you need to transport. Print option: We offer you the opportunity to place your logo or message on one side of the bag. Use this bag as an eco-friendly advertising space and present your brand in connection with sustainability.
