

Product data sheet

Torch with rechargeable battery

Product number: 9385103

Explore our high-quality rechargeable flashlight, which is not only powerful but also offers versatile functions. With a main light of 3W and 150 lumens, and a side light of 3W and 130 lumens, this flashlight is perfect for various situations. The flashlight features three lighting modes and is powered by a 600mAh battery, conveniently rechargeable using the provided charging cable.

Product Highlights:

- Powerful Main Light:** The main light of the flashlight offers bright and clear illumination with 3W and 150 lumens.
- Additional Side Light:** The side light with 3W and 130 lumens is ideal for broader illumination and various application scenarios.
- Three Lighting Modes:** The flashlight has three lighting modes (high, medium, flashing) to adapt to different lighting conditions.
- Rechargeable 600mAh Battery:** The built-in battery can be conveniently charged using the provided charging cable, making the flashlight environmentally friendly.
- Print option:** Your logo will be engraved on the flashlight, ensuring a durable and high-quality presentation of your brand.
