

Product data sheet

Aluminium bluetooth speaker

Product number: 3089909

Our round aluminum Bluetooth speaker is not only an impressive audio device but also a visual experience with its flashing LED light on the bottom. With a built-in battery, integrated radio, and a range of approximately 10 meters, it offers versatile entertainment options. The included Micro USB charging cable allows for convenient recharging. The playback time is 40-70 minutes, and the charging time is 2 hours.

Product Highlights:

- Bluetooth Connectivity:** Enables wireless connection to your devices to play music and audio files.
- Flashing LED Light:** The LED light on the speaker's bottom creates a captivating atmosphere that syncs with the rhythm of the music.
- Integrated Radio:** Listen to your favorite stations without connecting additional devices.
- Micro USB Charging Cable Included:** The included charging cable makes recharging the speaker easy.
- Print option:** Your custom logo will be laser-engraved on the exterior of the speaker to effectively showcase your brand.
