

Product data sheet

Vacuum drinking bottle

Product number: 6119907

With your logo engraved on the handle area, this water bottle becomes not only a practical everyday item but also an effective promotional tool. Order this high-quality stainless steel water bottle today and showcase your brand stylishly while supporting the environment.

Product Highlights:

- High-Quality Stainless Steel:** The bottle is made of stainless steel, which is durable, taste-neutral, and easy to clean.
- Vacuum Insulation:** The double-wall vacuum insulation keeps beverages hot or cold for hours and prevents condensation on the outside of the bottle.
- Leak-Proof Lid:** The lid is leak-proof, allowing you to carry the bottle in your bag or backpack without worry.
- Environmentally Friendly:** This reusable water bottle helps reduce single-use plastic bottles, making it an environmentally friendly choice.
- Print option:** The straight handle area of the bottle provides an ideal surface for your logo, applied through engraving.
