

Product data sheet

Bluetooth loudspeaker with light.

Product number: 3048906

Our Bluetooth speaker with changing lights, a USB charging port, and built-in radio is a versatile audio device that not only delivers high-quality sound but also provides a visual experience. With a range of up to 10 meters, a charging time of approximately 3 hours, and a runtime of about 2 hours, it's perfect for on-the-go entertainment.

Product Highlights:

- Bluetooth Connectivity:** Wirelessly connect your devices via Bluetooth to enjoy music and audio content.
- Changing Lights:** The integrated lighting creates an atmospheric mood and changes according to the music rhythm.
- USB Charging Port:** Easily recharge the speaker through the USB port, making it conveniently ready for use.
- Built-In Radio:** Listen to your favorite radio stations without the need for additional devices.
- Print option:** We will print your logo directly on the speaker to effectively showcase your brand.
