## Power bank 10.000 mAh

Product number: 2051806

Our plastic power bank with a capacity of 10,000 mAh is the ideal companion for those on the go who constantly need power for their electronic devices. With a digital charging display and two USB ports for simultaneous charging of two devices, this power bank offers top-notch functionality.

**Product Highlights:**

- Powerful 10,000 mAh Power Bank:** With this high capacity, you can recharge your smartphone, tablet, or other USB devices multiple times, making it perfect for longer trips and busy days.
- Digital Charging Display:** The digital display provides accurate information on the available power in the power bank, ensuring you know when it's time to recharge.
- Two USB Ports:** With two USB ports, you can charge two devices simultaneously, which is particularly convenient when traveling with colleagues or friends.
- Included Charging Cable:** A matching charging cable is included, ensuring you can start using it right away.
- Print option:** We print your logo on the top of the power bank to ensure your brand is eye-catching and visible.
