

Product data sheet

Salt and pepper mill

Product number: 81563mc

Our salt and pepper mill combines form and function in a stylish package. With your logo, it will not only be a valuable addition to your kitchen but also provide a fantastic opportunity to showcase your brand.

Product Highlights:

- High-Quality Stainless Steel:** The mill is constructed from sturdy and durable stainless steel with an elegant coating that protects it from rust and wear. This ensures a long lifespan and an attractive appearance.
- Ceramic Grinding Mechanism:** Equipped with high-quality ceramic grinding mechanisms, the mill precisely grinds salt and pepper. You can adjust the coarseness of the grind to your preference, from fine to coarse.
- Bamboo Lid:** The bamboo lid is not only stylish but also functional. It keeps the mills clean and fresh, protecting your salt and pepper from moisture and contaminants.
- Print option:** We offer the option to laser your custom logo onto the bamboo lid of the mills. This adds a personalized touch to the mills, making them an outstanding promotional item or gift for customers and employees.
