## Vacuum Stainless Steel Drinking Bottle

Product number: 6241407

Our vacuum-insulated stainless steel water bottle is the ideal companion for those who want to stay well-hydrated on the go. With a capacity of 550 ml, it provides ample space for your favorite beverages, whether it's cold water, tea, or a refreshing smoothie. This bottle is designed to keep your drinks at the desired temperature for hours while being both stylish and practical.

**Product Highlights:**

- High-quality Stainless Steel:** The bottle is made from durable and rust-resistant stainless steel, renowned for its longevity and resilience.
- Vacuum Insulation:** Thanks to double-wall vacuum insulation, your drinks stay warm for up to 12 hours or cold for up to 24 hours.
- Leak-proof Closure:** The closure is completely leak-proof, eliminating worries about unintended spills.
- Carrying Handle:** The convenient carrying handle makes it easy to take the bottle anywhere.
- Elegant Design:** The sleek and timeless design makes the bottle a stylish accessory.
- Print option:** Your logo will be engraved on the bottle to personalize the product and represent your brand.
