

Product data sheet

Glass drinking bottle, 300 ml

Product number: 8389766

Our exquisite water bottle made of borosilicate glass – a combination of elegance and functionality! This bottle has been meticulously designed, bringing together the benefits of borosilicate glass with a compact capacity of 300ml and a convenient screw cap.

Product Highlights:

- Borosilicate Glass:** Our water bottle is crafted from high-quality borosilicate glass, known for being lightweight and heat-resistant. The glass maintains the purity of your beverages without any impact on taste or odor.
- 300ml Capacity:** The ideal size for on-the-go – compact, lightweight, yet with sufficient space for refreshing drinks. Perfect for short outings, the office, or as a stylish accessory in your handbag.
- Screw Cap:** The reliable screw cap allows for easy operation and ensures that your drinks are securely sealed. No more worries about unwanted leaks – always ready for your active lifestyle.
- Print option:** Personalize your water bottle by having your logo directly printed on the bottle. With this individual touch, the bottle becomes not only a practical companion but also an effective promotional tool for your brand.
