

Product data sheet

Ferraghini watch Centurio

Product number: F21503

The CENTURIO Swiss Chronograph is an impressive watch with a large case (42 mm diameter) and a variety of remarkable features. This watch is not only a timepiece but also a multifunctional instrument that perfectly combines functionality and elegance.

Product Highlights:

- Swiss Precision:** The CENTURIO watch is distinguished by renowned Swiss watchmaking craftsmanship, ensuring the highest precision and reliability.
- Comprehensive Functions:** This watch features a second hand, a stopwatch function, a date display, and a tachometer to meet your timekeeping needs.
- High-Quality Materials:** The case is made of stainless steel, while the sapphire glass prevents scratches, making the watch exceptionally durable.
- Waterproof:** With a water resistance of 100 meters (10 ATM), this watch is well-suited for daily use and leisure activities.
- Comfortable Rubber Strap:** The rubber strap offers comfort and durability, equipped with a stainless steel folding clasp and push-button release.
- High-Quality Packaging:** The watch is delivered in a high-quality rubberized box, ensuring not only protection but also a touch of luxury.
